ABOUT US

With a legacy of 20 years of organizing successful education fairs, Global Events & Expositions Private Limited (Global Ed Group) is a young, dynamic and leading company that has proven itself for its commitment towards serving the student community of India.

Global Ed Group has always conceptualized and showcased new avenues to spread information about education opportunities around the world. Our focus on student empowerment has carved a niche for our company and we have been highly successful in achieving our target.

"Global Ed Group has organized 268 successful Education Worldwide India Fairs and has maintained its top position in the Education Fair Industry. Our efforts have always been acknowledged by the exhibitors from more than 75 countries and even the students have appreciated, making it even more important for us to serve them."

Students

Education Worldwide India Fairs have always been a place for the Leading Institutions to Exhibit and Showcase their Courses & Programs. In the last 20 years, a large number of high-quality institutions have participated and taken advantage of our Education Fairs. Annually, we organize two series so that the participating institutions can target Indian Students according to their intake. Some institutions having multiple intakes are exhibiting with us in both the series.
